

Academic Advisory Board

The **Academic Advisory Board** provides oversight, advice and assurance to the **Governance Board** and Chief Executive of Te Kupenga Catholic Leadership Institute, that the **Catholic Theological College's** academic programmes:

- are robust in delivery and moderation
- are academically rigorous and meet regulatory requirements
- are accessible through a range of delivery methods
- are reviewed and updated regularly, through a quality assurance system.

Responsibilities

- Receive and consider reports on student enrolment and achievement, course review and development, teacher evaluation and moderation and Te Kupenga research priorities and activities
- Offer guidance on academic procedures and benchmarks
- Offer guidance on Te Kupenga's research culture and practices
- Approve programmes of study and all associated documents for external registration
- Approve applications from staff for higher degree research
- Review and amend academic policies and procedures, for ratification by the Governance Board
- Assist Te Kupenga to form and strengthen relationships and collaborations with other tertiary institutions.
